PROPERTY DESCRIPTION

Discover 10 wooded acres in Suwannee County, offering the privacy, space, and natural North Florida setting buyers are looking for. Located near Wes Skiles Peacock Springs State Park, this property puts you close to some of the area's best-known springs, trails, diving, paddling, and outdoor recreation. The mostly wooded acreage provides plenty of room to create a private homesite, weekend retreat, recreational getaway, or simply hold as a long-term land investment. Mature trees create a secluded atmosphere while the generous acreage gives you flexibility for trails, gardens, outdoor recreation, animals, or additional improvements, subject to county requirements. Whether you're looking to build away from the congestion, establish a peaceful rural escape, or own acreage near one of Suwannee County's most recognizable natural attractions, this 10-acre parcel offers location, privacy, and room to make it your own. Flood zone is mostly X.02, but there is about 15% that is AE.
