### **PROPERTY DESCRIPTION**

The Ansley Hardwood Tract North, containing 296 acres, provides multiple home and/or camp building sites in addition to exceptional opportunities for hunting and recreation. Approximately 4,800 feet of frontage on Hwy 167 along western boundary and 1,500 feet on Lamkin Rd along northern boundary provide ample access points to the entire property. With 177 acres of hardwood timber and 119 acres of pine plantations, this property offers diverse habitat for multiple wildlife species as well as future revenues from continued timber management thinnings. Cypress Bayou runs through the property providing year round water allowing deer, turkeys, various bird species, hogs and small game to thrive. You may even be able to catch a few fish from time to time in Cypress Bayou.

Looking for additional acreage to create your own large contiguous hunting and recreation paradise, see the Lamkin Road Tract and Ansley Hardwood Tract South which join this tract. All three properties combined total over 700 acres of prime hunting property.

Location: Sections 4, 5, 8 & 9, Township 16 North, Range 3 West, Jackson Parish, Louisiana. Located 10 miles south of Ruston and 3.5 miles north of Quitman.
