Cute House Close To Town With Just Over 9 Acres! Coffeyville, KS / Montgomery County

PROPERTY DESCRIPTION

Looking for that small Kansas farm? How about one that sits close to town but still makes country living great? You are in luck! Located between Independence and Coffeyville, Kansas sits this beautiful 3 bedroom 2 bath home with an attached garage. This home has had many updates and you will notice them coming through the front door. Having an open floor plan gives you plenty of room to relax in front of the fireplace on those cold nights. Kitchen and dining room open up together also! The master bedroom, with having its own bathroom, lets you get ready for the day easily. The other two bedrooms, along the hallway, are spacious and the second bathroom is just across the way. Having an attached garage with a breeze way leading to and from the house keeps you dry carrying in the groceries! When you pull in you'll notice the covered front porch you can watch the sunsets from. Having 10+/- acres of timber and a wet weather creek close by has been known to have turkeys and deer in the yard. West of the house is a big open yard for perhaps a garden area or animals! Give me a call and lets take a look!
