PROPERTY DESCRIPTION

20 acres in Levy County off the beaten path. This unique property features a camp site, multiple man made tree stands & feeders and very importantly, 300 feet of Suwannee River frontage! The front approximately 5 acres is dry land that has a pole barn with RV, storage shed and trails with feeders & stands. Deer, turkey and hogs are in abundance. There is low lying land between the campsite and the river. Invest in some fill dirt or lime rock for a gorgeous ride or walk directly to the river. Beautiful creek with a handmade bridge is between the campsite and river bank. The 300ft of river front is seasonally a sandy beach on the historic Suwannee river. There is an unfinished elevated cabin and small dock that overlooks the river. No survey on file but many trees are marked as approximate property lines. Call today for any additional information!
