PROPERTY DESCRIPTION

This is a **three-bedroom, two-bath home on 10 +/- Wooded Acres** just a few miles from the center of **Marshall, Arkansas, in Searcy County**. This home has been the seller's home for over 12 years. The seller is selling only to move closer to her family. When you walk i this home, you have a living room with a wood-burning stove with blowers. The house is central heat/air, but there is a wood stove for those mornings when you want to feel cozy! You have a den off the kitchen and dining area with sliding doors leading out onto a deck where you have your grill, and if some trees were trimmed back, you would have a fantastic view! Off the kitchen, you have a large launc room/mud room; down the hall, you have three bedrooms, a full bath for guests with a tub/shower, and the master has a full bath with a walk-in shower. **Water is South Mountain County water for the house, but there is a well the seller uses for the garden, Petty Jea Electric (they just put fiber on the pole), and a propane tank for the gas cook stove.** The metal roof is about six years old, and the f water tank is 40 gallons. Outside of this home, you have a carport attached to the house, a wood shed that will hold two ricks of wood, a couple of sheds, one with insulation and electricity! There are two great fenced garden spaces, lots of blueberry and blackberry bushes and a pecan tree! Places like this do not come up daily, so be the first to look!
