PROPERTY DESCRIPTION

54 +/- Acres of Mature Timber with Trails, Hunting, and Gorgeous Homesites - Shirley, Arkansas

Located off Peel Road in Shirley, Arkansas, in beautiful Van Buren County, this **54 +/- acre tract of mature hardwood timber** offers privacy, natural beauty, and outstanding recreational opportunity.

Access to the property is exceptional. You enter by a **legal, recorded easement**, allowing comfortable access all the way to the property entrance! Access like this is rare for recreational land and adds tremendous value and convenience. The property will include a **recorded easement for utilities as well as ingress and egress**, making it even more appealing for those considering building.

As you explore the property, you'll quickly see why this land is so special.

A well-established **ATV and UTV trail system winds throughout the acreage**, allowing easy travel across the property for personal enjoyment. The trails make it simple to explore the entire tract, ride through the mature hardwood timber, and experience the natural beauty of the land without disturbing the peaceful setting. Whether you're taking an evening ride or simply exploring your own ground, the trail system adds tremendous enjoyment and usability.

The property itself offers **multiple gorgeous homesite locations tucked among towering hardwood trees**. With the privacy and beauty of the surrounding timber, these sites would make the perfect location for a secluded cabin, weekend retreat, or even a full-time residence. Imagine building your dream home surrounded by nature, where the only sounds you hear are the wind through the trees and wildlife moving through the woods.

For the outdoorsman, this tract is equally impressive.

The area is well known for **excellent whitetail deer and turkey hunting**, along with the occasional **bear** and this property provides ideal habitat with mature timber, natural travel corridors, and water features. Whether you're an experienced hunter or simply enjoy watching wildlife, you'll appreciate the quality of this land.

One of the standout natural features hidden within the property is a **beautiful rock bluff with an overhang and seasonal waterfall** that spills into a clear pool below. Tucked deep in the woods, it creates a peaceful and scenic setting that feels like a private natural retreat.

Another unique advantage is the property's **proximity to Fairfield Bay**, an ATV and outdoor recreation friendly community (buyers should verify local regulations).
