

APPLICATION FOR GREENBELT ASSESSEMENT

Forest Land

The Agricultural Forest and Open Space Land Act of 1976 (commonly referred to as the "Greenbelt Law") permits qualifying land to be accessed for property taxes at its current use value rather than at its fair market value which might be based on a more intensive use. YOU MAY BE LIABLE FOR ROLLBACK TAXES later if the land, or any portion, approved for greenbelt is converted to other uses or disqualified due to a sale or otherwise. Rollback taxes are based up on the amount of taxes saved during the last three (3) years the land was classified as forest land

"Forest Land" means land "constituting a forest unit engaged in the growing of trees under a sound program of sustained yield management that is at least fifteen (15) acres and that has tree growth in such quantity and quality and so managed as to constitute a forest." The assessor may consult the State Forester in determining whether your land qualifies.

Applications must be filed by March 1 to be considered for the current tax year. Applications filed after March 1 will be processed for the following tax year.
