

West Virginia, 150.6 AC +/-

An aerial photograph of a heavily forested area. A red line outlines a large, irregularly shaped parcel of land. The parcel is roughly rectangular with several jagged edges. To the left of the parcel, a road is labeled 'COUNTY ROUTE 7/6'. To the right of the parcel, another road is labeled 'COUNTY ROUTE 7/6'. At the bottom of the image, there is a scale bar with markings for 0, 500, 1000, 1500, and 2000 feet. The forest is dense and green, with some areas of bare ground or different tree species visible. The red line is a solid, bright red color. The labels 'COUNTY ROUTE 7/6' are in white, sans-serif font. The scale bar is a horizontal line with vertical tick marks and numerical labels.
