CROSBY
LAND COMPANY

The Hillburn 2 tract offering is an excellent option for any small – medium sized investor looking to diversify his/her portfolio. The property boasts over 3,200 feet of highway frontage along Orianna Road with multiple gated points of entry. The majority of this acreage is high useable ground suitable for a variety of usages, including recreational or residential sites. The neighborhood is rural and consists of medium to larger sized private landholdings; most of these are managed for timber or farming operations. The landscape consists of a gentle rolling topography with upland pine that gives way to a small creek bottom providing a diversified habitat for wildlife. This is an excellent opportunity for a permanent private residence, recreational property, or just a blank canvas ready for the next owner to start their story.
