Completion of this form by you may not be more than 180 days prior to the date this form is received by a purchaser.

Note: If this disclaimer statement is delivered to a purchaser after an offer to purchase has been made by the purchaser, the offer to purchase shall be accepted by you only after a purchaser has acknowledged receipt of this statement and confirmed the offer to purchase.

Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards

Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards.
