PROPERTY DESCRIPTION

Commercial/Industrial Opportunity on Blue Star Hwy (US 301) Near I-95 in Jarratt, Virginia with a total of 5.32 Acres!

Commercial / Industrial Opportunity - Former Jarratt Motel & Restaurant Site

22090 Blue Star Hwy, Jarratt, VA 23867

Approximately 5.32 acres offered as a commercial/industrial development site on the historic Blue Star Highway (US 301). The property consists of one 4.22-acre parcel zoned Commercial/Industrial plus an additional 1.1-acre parcel zoned Single Family Residential, sold together. This is the former location of the well-known Jarratt Motel and Restaurant that served travelers along US 301 through the 1960s and beyond-now ready for a new chapter.

Location Advantages

- Direct frontage (1100+ ft) on Blue Star Hwy (US 301), a four-lane highway with crossover access

- Approximately 1 mile from Interstate 95 (easy on/off for north-south travelers)

- Strong visibility and daily traffic counts in a proven travel corridor between Petersburg and Emporia

- Convenient to existing travel services, truck stops, and local businesses while still offering room to grow

Zoning & Potential Uses

The primary 4.22-acre tract carries Commercial/Industrial zoning, giving flexibility for a wide range of business applications (buyer to verify specific permitted uses with the local jurisdiction). The included 1.1-acre Single Family Residential parcel adds versatility-whether for owner housing, employee quarters, or future subdivision potential.

Possible uses include (subject to zoning confirmation and approvals):

- Retail, restaurant, or service business

- Office or professional space

- Warehouse / flex / light industrial

- Contractor yard or equipment storage

- Mixed commercial with residential component

- New business start-up or expansion

Ideal for business owners, developers, or investors seeking high-visibility highway frontage with flexible zoning and a fresh start on a historically commercial site. It offers a clean canvas for new construction once cleared. Highway frontage established commercial character of the corridor, and proximity to I-95 make this an attractive entry point for an owner-user or investor.
