UNDER CONTRACT!! 12.66 Acres of Hunting, Recreational, and Residential Land For Sale in Brunswick County, VA! Rawlings, VA / Brunswick County

PROPERTY DESCRIPTION

12.669 +/- Acre Waqua Creek Road Recreational Property - Turnkey Hunting, RV & Homesite Tract with Installed Septic, Cleared Homesite, Food Plot, ATV Trails & Equipment Package Near I-85 in Rawlings, Brunswick County, VA!

The Waqua Creek Rd Tract is a well-equipped 12.669-acre hunting, recreational, and residential property offering over 960 feet of road frontage along Waqua Creek Road in Rawlings, Virginia. Tucked in a convenient rural setting just 2.5 miles from the Rawlings/Route 712 Exit #39 off I-85, this tract delivers an excellent combination of accessibility, privacy, and immediate usability. McKenney is only 5.7 miles away, Alberta is 10.7 miles away, South Hill is approximately 30 minutes to the south, and Petersburg is about 32 minutes to the north, making this an ideal location for a full-time residence, weekend retreat, hunting property, or RV getaway.

This property has been thoughtfully improved for the immediate enjoyment of those who love nature and wildlife! A newly installed gravel driveway leads into the tract and provides access to a cleared and graded area that is ready for your future home or RV setup. A newly installed 2-bedroom septic system with a drainfield adds significant value and utility, allowing the next owner to begin enjoying the property right away while also supporting future residential plans.

For the outdoor enthusiast, this tract is already set up to hunt, ride, and relax. The property offers excellent wildlife habitat, with deer, bear, turkey, and a variety of other native wildlife observed throughout the land. A 1/3-acre food plot has been established to help attract and hold game, and more than 1,600 feet of cleared ATV trails provide convenient access through the property for recreation, maintenance, and hunting.

Additional habitat and recreational improvements make this tract stand out even more. Strategically planted throughout the property are 6 American Persimmon trees, 3 Dunstan Chestnut trees, 2 Dr. Deer Pear trees, 2 Peach trees, and 2 Fuji Apple trees. Additional plantings, including 2 Chestnut Oak trees, 2 Eastern Redbud trees, 2 American Persimmon trees, and 2 Paw Paw trees, will either be planted prior to closing or conveyed with the property, depending on timing. These improvements enhance both the wildlife appeal and the long-term enjoyment of the land.

One of the strongest features of the Waqua Creek Rd Tract is the amount of equipment and usable personal property that conveys with the sale. The new owner will be able to step onto the property with tools already in place to maintain and enjoy it from day one. Conveying items include a 20-foot storage container, a 1984 John Deere 950 tractor, a 4-foot finish mower, a 4-foot rotary tiller, a 2-foot cultipacker, a 4-foot drag, a 2013 Polaris Sportsman 500 HO, a metal skinning rack, 2 one-person ladder stands, and 1 two-person ladder stand. It is rare to find a small-acre tract with this level of infrastructure, usability, and included equipment.

The property also offers convenient access to additional outdoor recreation in the surrounding area. Fort Pickett and the Pickett Reservoir Recreational Area provide nearby opportunities for hunting and fishing. The Nottoway River is located just up the road near McKenney, and Lake Brunswick is only a short drive away, giving owners even more ways to enjoy the outdoors beyond the property itself.

Whether you have been searching for a turn-key hunting property, a private weekend retreat, a ready-to-use RV tract, or a future country homesite with meaningful improvements already in place, the Waqua Creek Rd Tract checks all the boxes. With easy interstate access, established infrastructure, strong recreational appeal, and valuable equipment included, this is a rare opportunity to purchase a highly usable small-acre property in a convenient Southside Virginia location.
