Unlock the potential of this **established quarry** located just minutes from the historic downtown of Reeds Spring and with convenient access to Highway 13. This well-known operation was created over **20 years**, offering immediate credibility and strong future potential for the next owner.

Spanning just shy of **162 acres**, this expansive property provides ample room for continued quarry operations, product storage, equipment staging, and future expansion. With trails running throughout the property, along with **two natural springs and a wet weather creek**, this land is as versatile as it is scenic.

The quarry is currently under lease, with the lease set to expire in **October 2026**, giving buyers flexibility for future operational decisions or renegotiation. Whether you're looking to continue its legacy or reposition the property, the upside potential here is significant.

Also included is a spacious **3,600 sq ft home** featuring **2 bedrooms and 2 bathrooms on the main level**, along with an **unfinished walkout basement** ready for customization. This residence could serve as an owner's home, managers home, on-site office, or additional rental income opportunity.
