Secure Covenant Interests, Ltd., and Heritage Select Investments, LLC, hereby retain the right to execute amendments to, including granting variances from, all restrictive covenants and other limitations imposed by this instrument on the subject property, provided it, in the exercise of its reasonable judgment and discretion, is of the opinion that any such amendments or variances are acceptable and reasonable for the development of the property. Any such variance or amendment must be evidenced in writing and must be signed by Secure Covenant Interests, Ltd., or Heritage Select Investments, LLC.

Other tracts or acreage not originally referenced as "subject property" in this instrument may be added to this instrument as "subject property" by the recording of an instrument adding said tracts; said instrument shall be executed by Secure Covenant Interests, Ltd., or its general partner. Any such tracts that are added shall become a part of these restrictions to the same extent as if they had been originally included.

The above restrictive covenants constitute covenants running with the land and inure to the benefit of The County in which the property is located, the undersigned (also referred to as "Declarant") and its successors and assigns, and to each and every Owner of a tract out of the subject property, their heirs, successors, and assigns. Any one of said beneficiaries shall have the right to enforce these restrictive covenants in equity or in law. County officials acting in their official capacity, Tract Owners, their heirs, successors, and assigns, and the Declarant, and its successors, and assigns are empowered to enforce the covenants, conditions and restrictions contained in these Restrictions. Enforcement of these Restrictions must be by proceedings at law or in equity against any person or persons violating or attempting to violate these Restrictions, either to restrain or prevent such violation or proposed violation, or obtain any other relief authorized by law. The violation of the Restrictions will never at any time work an estoppel upon any person entitled to claim benefits of these Restrictions. In the event of litigation enforcing any Restrictions, the prevailing party shall be entitled to recover reasonable attorney's fees and court costs. If one or more of such restrictive covenants shall be held invalid, none of the others shall be affected or impaired by such holding but shall remain in full force and effect.

Any one or all of the herein numbered restrictive covenants may be altered, amended, or canceled by a vote of at least a seventy percent (70%) majority of the owners of the then existing tracts (as of the date said vote is taken) out of the subject property referenced herein (one vote per tract). Such amendment, alteration, or cancellation of any of the above must be in writing and must be filed with the Goliad County Clerk in order to be of any force and effect.

Failure at any time to enforce these Restrictive Covenants, whether any violations thereof are known or not, shall not constitute a waiver or estoppel of the right to do so from time to time thereafter.

A portion of the property lies in a flood plain or other low-lying areas that are subject to flooding or water saturation. Future Grantees of each tract out of the subject property (herein referred to as "Buyer") should use caution and conservative judgment when installing any improvements in or near the flood plain or low-lying areas. Buyer shall be solely responsible for determining any flood plain elevations that are pertinent to Buyer's plans and for deciding at what elevation and location Buyer desires to construct any improvements. This clause shall apply to Buyer and Buyer's successors, heirs, and assigns.
