

Tucked behind a small pasture, take a magical journey down the tree lined drive that splits 2 ponds, to a sprawling Brick Ranch home for sale in the woods. As you approach, you'll first notice the Resort style pool offsetting the home, and as you drive around, check out the manmade waterfall/stream that falls all the way to the pond at the front of the home. Situated magnificently- this rural home for sale in Pike County, MS is your perfect getaway to paradise! Oversized rooms, split plan with formal living room and dining, this home also has a beautiful, wood paneled den banked with windows for gorgeous views. Primary bedroom has his and hers separate bathrooms! Hooray!!! Extra half bath outside for the pool, easy walkup stairs to an attic you just have to see housing a 16' Cedar closet, bricked arch over the cooktop are just some of the amenities this home & 8 acres has to offer. The home is also available with 67.5 acres of pristine fenced & cross fenced pasture. 1.5 hours to New Orleans.
