Ozan Hunting Retreat Ozan, AR / Hempstead County

PROPERTY DESCRIPTION

Ozan Hunting Retreat - Your Private Hunting Paradise Awaits

Ready to hunt your own land? This is the plug-and-play hunting property you have been waiting for. Nestled in the heart of Hempstead County, Arkansas - one of the premier big deer regions in the Natural State - the Ozan Hunting Retreat offers approximately 73 turnkey acres loaded with opportunity for deer, duck, and turkey hunters alike.

The property includes a 3-acre food plot designed to draw in trophy whitetail and turkey, mature hardwood pockets that provide ideal habitat and natural funnels for deer movement, and a duck hole with real potential for expansion. The current owner has enjoyed multiple successful duck hunts right here on the property. Whether you are chasing greenheads at first light, setting up on a strutting tom in the spring, or waiting on that big buck to step into the food plot at last light - this land delivers season after season.

When it comes to infrastructure, this property is truly ready to go. Two new electric meters, water meters, and 30-amp plugs are already in place - just bring your RV and set up camp. Prefer something more permanent? The area surrounding the small pond is a prime location for a hunting cabin or tiny house, making this an ideal spot for a full-time hunting retreat or homesteading getaway.

Location is everything, and the Ozan Hunting Retreat delivers. Situated walking distance from the Ozan Wildlife Management Area and just around the corner from Rick Evans' Grandview Prairie WMA, this tract gives you immediate access to an additional 5,500 acres of public hunting land. Use the property as your base camp and take advantage of some of the best multi-species hunting in southwest Arkansas.

The land itself is primarily a younger pine plantation - excellent for deer bedding cover - interspersed with mature hardwood areas that attract wildlife and offer outstanding stand locations. Perimeter mulching is already complete on a portion of the property, making access and management even easier.

Want to fish when the guns go quiet? Millwood Lake - known for outstanding fishing and duck hunting - is just 20 minutes away at Okay Landing. Lake Greeson and Lake DeGray are also within easy striking distance for even more angling adventures.

Unload, unwind, and feel like you are a world away - while still being conveniently located near Hope, AR, and Texarkana. If you have been searching for a hunting property that is ready to perform from day one, the Ozan Hunting Retreat is the one.

An additional 40 +/- acres is also available for sale. View listing [here](#).
