Creek Bottom Timber

Henryetta, OK / Okmulgee County

PROPERTY DESCRIPTION

If you are in the market for a great piece of timber hunting in Okmulgee County, Oklahoma, come take a look at this one! This property has a great amount of cover for wildlife, and is in a phenomenal location for deer hunting. Most of the property is covered in mature timber, and there are a couple open areas that could be developed into prime food plot locations. The wet weather creeks that run through the farm create some amazing pinch points for hunting mature bucks during the rut. There is a nice pond on the property that provides a good source of water for wildlife, and could even be turned into a good fishing pond or duck hunting slough. On the west end of the property at the end of N3940 Rd, there is a clearing that could potentially be a good build location for a home or hunting cabin. The property is located 7 +/- minutes from Henryetta, 45 +/- minutes from McAlester, and approximately 1 hour from Tulsa. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Hunter Bellis at [\(539\) 238-7693](tel:5392387693).
