PROPERTY DESCRIPTION

If you're searching for the perfect multi-use farm in Western Oklahoma, look no further! This 160 +/- acre parcel in Kiowa County, Oklahoma features a good mix of tillable acreage with a mesquite draw that provides good cover for both livestock and wildlife. There is a pond as well as the wet season creek that splits through the property that provides the water aspect to this farm. A rural water line runs along the east county road which could further enhance this farm by providing a guaranteed year around water source for livestock, wildlife and also for a potential home site. The wetland habitat mixed with the mesquite timber and abundant food sources is very attractive for all wildlife. There are solid numbers of deer that stay on the property year around and the area is known for quality big buck genetics. This property would also make for an excellent home site. The farm is located just north of Cooperton and south of Gotebo, and features paved road access on the north side. It is under an hour away from Lawton, and roughly 1.5 +/- hours from the OKC Metro area. This is a very good farm with multiple use potential, don't miss out on your opportunity to own it! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Josh Candelaria at [\(580\) 660-1167](tel:5806601167).
