**PROPERTY DESCRIPTION**

Set along a quiet county road in Payne County, this property offers a wide-open country setting that has remained largely untouched for years. Encompassing 11.25 ± acres, the land is fully fenced and consists primarily of open pasture with minimal tree cover providing excellent visibility across the entire tract. A gated entrance provides direct county road frontage, creating easy access while maintaining a rural feel. An older home and remnants of a previous homesite remain on the property and would need to be removed, but the existing layout presents a clean slate for establishing a new homesite. Electricity is available, and nearby homes are spaced far enough away maintaining a peaceful and private country atmosphere. With open pasture, fencing already in place, and a manageable layout, this property is well suited for some livestock as well. Conveniently located just a few miles from Highway 412, it sits approximately 20 ± minutes from Stillwater, 1 +/- hour from Tulsa, and about 1 hour and 20 ± minutes from Oklahoma City-offering a balance of accessibility and true country living. Whether you're planning to build a new home or establish a small hobby farm, this property provides the space and flexibility! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Zac Williams at [\(918\) 261-6094](tel:9182616094) .
