PROPERTY DESCRIPTION

Price reduced! Have you been dreaming of building your own country home on acreage? Here is a phenomenal small acreage tract that could be just what you are looking for. Located just minutes from Oklahoma's largest lake, Eufaula Lake, this property is in a great location for someone looking for that outdoor lifestyle. Eufaula Lake is known for its amazing fishing and over 100,000 acres of water surface area to play on. After a day spent playing on the lake, a well maintained gravel road brings you back to this property that has many great home build locations. The landscape is primarily open grassland with a few large pecan trees that will provide much needed shade in those hot summer months. The tall native grasses also provide the opportunity to cut your own hay or lease haying rights. If you are interested in additional acreage there are more tracts available next to this one.

This is a country home build location that you won't want to miss out on. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Will Bellis at [\(918\) 978-9311](tel:9189789311).
