### **PROPERTY DESCRIPTION**

Tucked away at the end of a dead-end road, this 160+/- acre tract in Woods County, Oklahoma offers excellent seclusion and strong recreational appeal! The rolling topography and natural draws create travel corridors that promote consistent deer movement across the property. Taking a look at the trail camera photos, you will see the caliber of a hunting farm this property is! Native grasses and scattered cedar trees provide solid cover and bedding for wildlife, and two ponds on the property offer dependable water sources. These ponds, along with surrounding water in the area, keep turkeys using this property. Quail and dove have also been known to frequent this tract.
