Sandy Creek Ranch Elmore City, OK / Garvin County

PROPERTY DESCRIPTION

Opportunities to own a highly productive, well-managed cattle ranch of this caliber are becoming increasingly difficult to find in Oklahoma! Spanning 464 +/- acres in Garvin County, the Sandy Creek Ranch has been carefully developed for efficient livestock production while still offering the recreational appeal that many landowners desire. Sandy Creek winds through the property and is complemented by 11 ponds that provide abundant water sources for livestock and wildlife. The land features an exceptional blend of native grasses, lush Bermuda and fescue, creating a hard-to-find extended grazing season that helps reduce winter feeding costs. The ranch currently supports approximately 85 +/- cows and historically requires only a limited amount of supplemental hay, typically between January 20th and March 20th. Extensive cross fencing allows for effective pasture management and rotational grazing, while multiple access points make working cattle and navigating the property simple and convenient. The ranch offers blacktop road frontage along two sides and additional gravel road frontage on another, providing excellent accessibility from multiple directions. Scattered throughout the bottoms are mature trees that add beauty, shade for livestock, and wildlife habitat. The property's gentle terrain and well-established trail system make it easy to traverse by truck, ATV, or horseback. Beyond its agricultural value, the ranch also offers excellent recreational potential with opportunities for deer hunting, waterfowl hunting around the ponds, and year-round outdoor enjoyment. Whether you're looking to expand an existing cattle operation, establish a productive grazing ranch, or invest in a versatile property that combines agriculture and recreation, this Garvin County ranch is a rare opportunity to own a proven, income-producing piece of Oklahoma land! The ranch is located 12 +/- minutes from Elmore City, 23 +/- minutes from Wynnewood, and 1 hour and 15 +/- minutes from Oklahoma. All showings are by appointment only. For more information or to schedule a private viewing please contact Steele Schwonke at [\(918\) 424-6065](tel:9184246065).

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
