Polecat Creek Hunting Ranch Medford, OK / Grant County

PROPERTY DESCRIPTION

Take a look at this beautiful Grant County 160-acre farm located just 5 miles north of Medford, OK, and only 2.5 miles south of Renfrow, OK. This farm has live water running through it via Polecat Creek and is loaded with wildlife. The property features 70 +/- acres of tillable ground on the west side, with the balance being made up of pasture, a nice pond, mature trees, and creek bottom. The farm is fenced on all four sides and has great access via Kiowa Rd. Polecat Creek running through the farm makes it unique and is one of the best whitetail deer travel corridors in the county. The potential to turn this nice combination farm into a fantastic hunting farm for quail, pheasant, ducks, and deer is quite obvious, and that's exactly what the new owner intends to do. This farm was spoken for before ever making it online, but if you are looking to buy or sell a farm similar to this one in Grant County, give me a shout and let's talk about how I can help!

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
