PROPERTY DESCRIPTION

If there was ever a “do-it-all” farm, this one might be it! Want to build a nice home on some land? You can do that here! Want a farm to run some cows on and do a little farming? You can do that here! Looking for a farm to shoot ducks, geese, and some upland birds on? You can do that here as well! The farm consists of roughly 32+/- acres of Class 2 and 3 tillable ground, 55+/- acres of pasture, a 5+/- acre pond, and a small creek that meanders through the property. The way the farm is laid out, you could easily add several more surface acres of water—whether it be by building another large pond or constructing two or three additional ponds. The farm is conveniently located just 2+/- miles north of Highway 11 near Blackwell, OK, and offers blacktop access off of S 44th St and West Brake Rd. Whether you’re looking for a hunting camp headquarters, a full-time homesite, a country getaway, a waterfowl and upland bird hunting farm, or just an addition to your operation, this farm will be a great fit for the right folks! The farm is selling surface only, and the final acreage amount and sale price are subject to survey. All showings are by appointment only. If you would like more information or would like to schedule a private viewing, please contact Tony Cerar at [\(918\) 671-8937](tel:9186718937).
