From the massive barndominium to productive pastures and abundant water, this ranch offers the ideal blend of luxury, functionality, and country charm! At the heart of the property sits a beautiful 4,200 ± sq ft barndominium featuring 4 bedrooms and 3 bathrooms. The home's open layout connects the spacious living room and kitchen, creating a warm and inviting atmosphere perfect for family life or entertaining guests. The kitchen is equipped with granite countertops, a long island, and elegant wooden cabinetry, while wood flooring and carpet are thoughtfully balanced throughout the home. Multiple walk-in closets and ample storage space ensure practicality matches comfort. The attached garage offers two front roll-up bays and an additional rear bay, providing generous room for vehicles, equipment, or ATVs. Inside, a safe room offers added security and peace of mind. Covered porches along the home are perfect for relaxing outdoors and taking in the wide-open views. Supporting the ranch's operation are several outbuildings, including a metal livestock barn, two loafing sheds, and a concrete-floored shop ideal for equipment or additional vehicle storage. The property is well-set up for livestock, featuring cross fencing with five fully fenced fields, making rotational grazing or horse management simple and efficient. Water is abundant, with five ponds—two stocked for fishing—along with Kenny Creek flowing through the west side and a wet-weather creek running along the east. The combination of open hay meadows and strips of timber offers both grazing ground and wildlife cover. Deer, turkey, and quail are frequently seen, and a hunting blind is already in place. This ranch consists of road frontage on two sides, multiple gated entrances, and excellent access. Conveniently located just 7 ± minutes from Jennings, 42 ± minutes from Stillwater, and 52 ± minutes from Tulsa, it combines rural peace with proximity to modern amenities.
