Tract 10 Western Panhandle Farms Goodwell, OK / Texas County

PROPERTY DESCRIPTION

Located at the end of a dead-end road in Texas County, Oklahoma, this 160 +/- acre ranch offers the privacy and layout to support both cattle production and hunting. Partial fencing, a solar-powered water well, and quality native grass provide a strong foundation for running cattle, whether you're expanding an existing operation or starting one of your own. The ranch features gently rolling High Plains terrain with deep natural draws, rugged cut banks, and winding drainages that add character to the landscape while providing natural shelter for livestock. These same features create excellent wildlife habitat, making the property equally appealing for recreation. Pronghorn are regularly seen on the ranch, and the area also offers excellent opportunities to hunt both mule deer and whitetail deer. Whether you're looking to add productive grazing ground, invest in Oklahoma grassland, or own a ranch that offers both agricultural use and hunting potential, this property has the versatility to fit a variety of operations! The property is located just 18 +/- minutes from Hough, Oklahoma, 28 +/- minutes from Elkhart, Kansas, and 35 +/- minutes from Guymon, Oklahoma. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Jared Moyer at [\(580\) 273-4220](tel:5802734220).
