### **PROPERTY DESCRIPTION**

Introducing the Walnut Creek Hunting Farm, an exceptional 104 +/- acre recreational farm in Appanoose County, Iowa! Finding a property of this caliber at the price point it's at is extremely rare! The farm is conveniently located just 2+/- miles from Mystic, Iowa, and 5+/- miles from Centerville. This property is settled into an area that quietly boasts over 2,000 +/- highly managed acres, ensuring you will have several mature bucks using the property every single year. The habitat on this property is class A, with a combination of winding creek bottom interlaced with small fields and pockets of cover, sections of warm-season grasses and cedars, and gently rolling hardwood timber. The creek located onsite holds water year-round, ensuring your deer herd and turkey flock never have to leave to find water. Roughly 15 +/- acres of tillable dirt and food plots broken up into several sections allows a hunter to absolutely stack this property with food, and potentially pull some tillable income off of the place if one wishes. A newly installed trail system allows access into every part of the property on foot or with equipment, meaning there isn't a single acre that can't be easily utilized. Two box blinds and a handful of treestands will stay with the property upon a sale, making this place truly turn-key from a hunter's perspective. Do not overlook the strong turkey population on the property either, adding another source of enjoyment during the spring months. Road access from the West side and a gate to be included with the sale add convenience and security. Quality hunting properties that leave no box unchecked at this price point are a rare find on the market today, so don't wait around to schedule your own viewing of this fantastic property! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Steve Noble at [\(641\) 799-9012](tel:6417999012).
