Tract 5 Shady Grove Ranch Wardville, OK / Atoka County

PROPERTY DESCRIPTION

Welcome to Tract 5 of Shady Grove Ranch, a premier 160+/- acre hunting property located in Atoka County, Oklahoma! This tract is set up and ready to enjoy from day one, offering a well-developed hunting layout, comfortable lodging, and the kind of habitat that consistently produces quality wildlife. Improvements on the property make this a rare turn-key hunting retreat. The main lodge (40x40) is comfortable and well designed, featuring a beautiful kitchen with a large island, spacious living room, two bedrooms, and a luxurious bathroom. Covered front and back porches provide great spots to relax after a day in the woods and enjoy the peaceful setting. A second living quarters building (40x60) offers additional space for family, friends, or hunting guests. This building includes a kitchen, large open hangout area, three bedrooms, and a bathroom, along with a large covered outdoor gathering area and front porch that make it perfect for entertaining after sunset. Additional improvements include a shop with a loft that serves as extra living space, complete with a kitchen, bedroom, and bathroom, along with two additional shops for equipment and gear storage. These buildings provide plenty of room for ATVs, tractors, hunting equipment, and ranch tools. The property has a proven history of excellent deer hunting, with blinds and feeders already in place throughout the ranch. The mix of thick timber, open pockets, and diverse terrain creates ideal habitat and natural travel corridors for mature whitetails. Several open areas across the property would make excellent food plot locations, allowing the new owner to further enhance the hunting potential. In addition to deer, there is a healthy population of Eastern wild turkeys that frequent the property, making this a true multi-species hunting destination. The property features rolling ridges, strong topography, and a creek bottom, all working together to create prime wildlife habitat and natural pinch points for hunting. A well-maintained trail system runs throughout the ranch, making it easy to navigate the property by side-by-side or ATV and providing convenient access to hunting locations, ponds, and lodge areas. Two ponds on the property provide a reliable water source for wildlife. The ranch is fenced and accessed through a gated entrance, offering both privacy and security. Tract 5 at Shady Grove Ranch is a rare opportunity to own a fully set-up hunting property with lodging, infrastructure, and exceptional wildlife habitat in southeastern Oklahoma! Whether you're looking for a private hunting retreat, a family getaway, or a property ready to enjoy with friends, this ranch offers the complete package.
