Valley Ridge Lot & Build Opportunity Sapulpa, OK / Creek County

PROPERTY DESCRIPTION

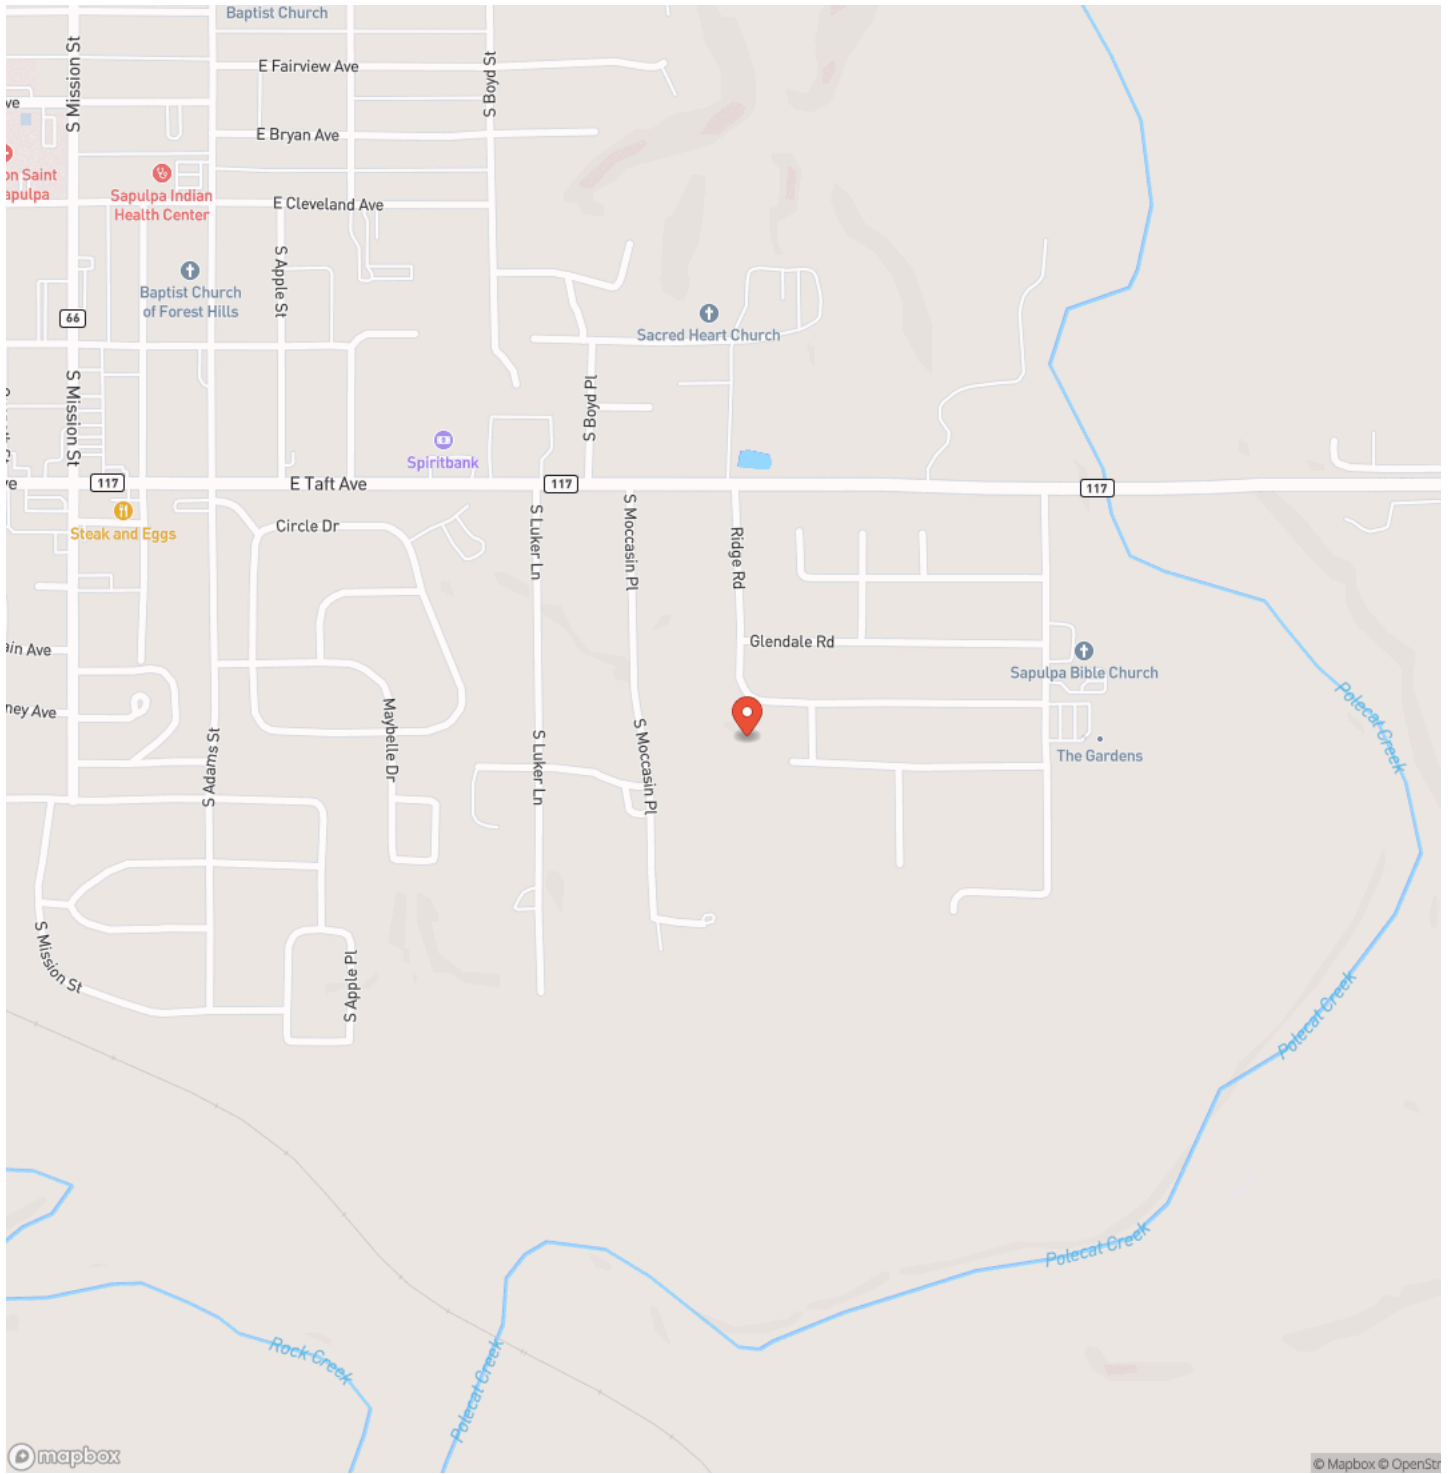

Located in the back of the Valley Ridge Addition in Sapulpa, this 0.88 +/- acre lot in Creek County offers a great opportunity to build in an established and welcoming neighborhood. With road access from Woodland Avenue, the lot sits toward the back of the addition, giving it a more private feel while still being part of the community. The property currently has a wooded setting, with a wet-weather creek running through it. With clearing work, this lot would set up well for a beautiful homesite while still allowing room to keep some of the trees for privacy and shade. The neighboring property has already been cleared and development has started, giving a strong example of the build potential this lot offers! With surrounding homes already in place throughout the addition, utilities are nearby and make the process of development more convenient. The location is another major advantage, being less than 2 ± miles from Sapulpa High School, 9 ± miles from Jenks, 21 ± miles from Broken Arrow, and 23 ± miles from the Tulsa International Airport, with city amenities all within easy reach. With its private wooded setting, build potential, and location in an established neighborhood, this lot offers a great opportunity to create a beautiful home in Sapulpa! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Hunter Bellis at [\(539\) 238-7693](tel:5392387693).
