The Whitetail Refuge

Lamont, OK / Grant County

PROPERTY DESCRIPTION

This incredible 320 +/- acre property is one of the nicest hunting farms to change hands in the past several years in Grant County, Oklahoma. The farm offers roughly a mile of Salt Fork River frontage and will provide world class hunting for whitetail deer, turkey, ducks, pheasant, quail, geese, and dove. One look at an aerial and you will quickly realize the potential this farm has. Some of the biggest timber in the county, all the water you could want, seclusion, tillable ground, and fantastic bedding habitat throughout the entire property. The farm hasn't had cattle on it in decades and it's literally a refuge for the whitetail deer and other wildlife. Fertile tillable ground on this farm and throughout the specific area provides an ideal food source for the animals all year long. Whether it be a summer crop of beans, milo, or corn, or wheat in the fall, your wildlife will never have a shortage of food on this farm. The property is located less than 3 +/- miles southeast of Lamont, OK and less than 10 +/- miles west of I-35 in one of the most sought-after hunting neighborhoods in the state. It's no surprise this farm was under contract before making it online! Don't miss out on the next opportunity and give Rural Real Estate Specialist, Tony Cerar, a call! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Tony Cerar at [\(918\) 671-8937](tel:9186718937).
