PROPERTY DESCRIPTION

Located in the rugged country of Harper County, this 560+/- acre ranch offers an outstanding combination of productive grazing land and excellent recreational opportunities! Fully fenced and ready for livestock, the property features multiple ponds along with a solar-powered water well, providing reliable water sources throughout the year. With that, a corral system is located along the north boundary and provides a convenient setup for working cattle, loading livestock, or supporting day-to-day ranch operations. Deep canyons, rolling draws, and scattered pockets of cover create ideal habitat for wildlife while adding character to the landscape. The ranch has all the ingredients to become an exceptional hunting property. Numerous trails provide easy access across the property, and the varied terrain naturally funnels wildlife through the draws and canyon systems. Mule deer were spotted during a recent visit, and the habitat also offers excellent potential for mature whitetails, making this a rare opportunity for hunters looking to pursue both species on the same property. The numerous ponds and surrounding native grass also create exceptional dove hunting opportunities throughout the season. Whether you're looking to establish food plots or simply enjoy the diverse landscape, this ranch has the foundation to become a premier hunting destination. Whether your goals are grazing cattle, building a hunting operation, or owning a large tract of Western Oklahoma land, this property offers the versatility to do it all! The property is conveniently located approximately 9+/- miles southwest of Buffalo, 16+/- miles northeast of Laverne, and 33+/- miles northwest of Woodward. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Jacob Lemons at [\(580\) 727-5019](tel:580727-5019).
