Section 3. Voting Rights: The Association voting membership shall be all owners including the Declarant, and shall be entitled to one (1) vote for each lot owned.

No member shall be entitled to vote unless such member has fully paid all assessments as provided for herein as shown by the books of the Association.

Section 1. Creation of Lien and Owners Obligation: Each owner of a lot within the subdivision by acceptance of a Deed or Agreement for Deed to the lot, whether or not it is expressed in the Deed or other conveyance, covenants and agrees to pay to the Association, all assessments to be fixed, established and collected from time to time as provided for in these restrictions. The annual assessments may be increased or decreased by the Board not more frequently than annually; provided, however, that the annual and special assessments shall at all times be sufficient to pay all actual association operation and maintenance costs based on written estimates prepared by a professional civil engineer and including a process to account for inflation.

Section 4. No owner may wave or otherwise escape liability for assessment provided for herein by abandonment of his lot.
