PROPERTY DESCRIPTION

If you have been in the market for a property where you are given the opportunity to chase trophy whitetails, fish for largemouth bass, and potentially hunt waterfowl; look no further than this outstanding 78.86 +/- acre Noble County farm! Just outside of Perry, Oklahoma, the Pioneer Pond Farm delivers incredible recreational opportunities. There is a draw that runs through property, creating excellent travel corridors and natural cover for wildlife while adding diversity to the landscape. The area is well known for producing trophy whitetails, offering exceptional opportunities season after season. There is plenty of room to create food plots and add feeders to draw more deer onto the property. A beautiful pond with a fishing dock provides the perfect place to relax after a day in the field while also attracting waterfowl during the winter months, creating outstanding duck hunting potential. The open grass areas are currently unplanted but are tillable, providing the opportunity for supplemental income through cash rent or the ability to plant productive crops. Having that portion of the property in crops would also provide tons of food for all wildlife. The combination of the draw, pond, native cover, and surrounding habitat makes this property a true haven for deer, ducks, and upland birds. With road frontage on two sides, the farm offers excellent accessibility and multiple options for future improvements or management. The farm is located just 20+/- minutes from Perry, 50+/- minutes from Stillwater, and 1 hour and 15+/- minutes from OKC and Tulsa. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Tony Cerar at [\(918\) 671-8937](tel:9186718937)
