PROPERTY DESCRIPTION

Located in Garfield County, this 160+/- acre tract offers productive farmland and hunting opportunities all in one! The majority of the property consists of tillable ground, making it well-suited for agricultural production or investment purposes. What sets this property apart is the diverse habitat found in the southeast 50+/- acres of the farm. A mix of native grassland, shrubby cover, tree rows, and multiple ponds creates exceptional wildlife habitat rarely found on predominantly tillable tracts. During a recent visit, multiple coveys of quail, several pheasants, and a couple of whitetail bucks were observed on the property, highlighting the area's strong hunting potential. The combination of food, water, and cover makes this corner of the farm a natural sanctuary for upland birds and deer alike. Additional improvements include electricity already on-site and road frontage along both the north and east boundaries, providing excellent access and multiple entry points. Whether you're looking to expand your farming operation, add a recreational property to your portfolio, or invest in a versatile piece of Oklahoma land, this Garfield County farm offers opportunity for income-producing acreage and quality wildlife habitat. Located 8+/- miles from Billings, 18+/- miles from Lamont and 25+/- miles to Enid! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Tony Cerar at [\(918\) 671-8937](tel:9186718937).
