Lamont Tillable Farm
Lamont, OK / Grant County

PROPERTY DESCRIPTION

This 80+/- acres in Grant County, Oklahoma offers a great opportunity for someone looking for a productive piece of farmland with investment potential! The property is primarily tillable, providing strong agricultural use and the ability to generate the potential for annual income through farming. The farm has historically produced 80 to 100 +/- bushels an acre of corn (weather variant). The open layout and quality soils make this tract well suited for continued row crop production. In addition to the farming value, the surrounding agricultural landscape provides some deer hunting potential, as there is a good population of deer that often travel through these crop fields while feeding and moving between bedding areas. With its high percentage of tillable acreage, this property is ideal for producers looking to expand their operation or investors searching for a farm that can provide steady returns. There is an additional 80+/- acres that touches the farm that can also be purchased. The farm is located 10+/- minutes from Lamont, 40+/- minutes from Ponca City, 1 hour and 40+/- minutes from OKC, and 1 hour and 50+/- minutes from Tulsa. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Tony Cerar at [\(918\) 671-8937](tel:9186718937).
