**PROPERTY DESCRIPTION**

If you are in the market for a farm that has many potential uses, you will want to check out this 40+/- acre property in Grant County! The farm offers excellent road frontage on two sides that makes the property very accessible. Most of the property is currently in native grasses that support strong upland bird numbers and quality whitetail deer habitat. The area is known for producing big bucks, and this place is bound to have some awesome rut activity in November. Much of the acreage could be converted back into tillable ground, adding agricultural potential for farming or food plots. You will have the opportunity to plant wheat, milo, corn, or soybeans, providing annual income potential while also serving as a high-quality food source for waterfowl and deer. The place sets up great for someone wanting to build a home or cabin. The farm is located just 7+/- minutes from the Kansas State line, 23+/- minutes from Medford, and just over 2 hours from both Tulsa and OKC! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Tony Cerar at [\(918\) 671-8937](tel:9186718937).
