Rixie Road Duck Hole 51

North Little Rock, AR / Pulaski County

PROPERTY DESCRIPTION

Incredible chance to own +/- 51 turn-key acres of jam up duck hunting, only 15 minutes from downtown Little Rock. Situated on Highway 161 on the west side of Interstate 440, The Rixey Road Duck Club has been producing impressive straps of ducks and Canada geese while maintaining a North Little Rock address. Roughly 42 acres of flooded marsh land comprised of mainly cypress and buck brush, with a +/- 2.36 acre leveed and controlled green tree reservoir in the southeast corner of the property. The southern property line is high ground that sits on an east west running oak ridge. This wetland is loaded with duck weed, smart weed and has been a primary destination for waterfowl to congregate and feed throughout the winter months. This property has gated access with a gravel parking area that easily fits 5 vehicles. The main road running north to south is graveled and will take you to 2 of the 3 big blinds on the property. The third blind is accessed by the east to west running road near the southern boundary, all to which you can easily drive to. "The Killing Trees" and "The Spot" blinds were built to hold 4 hunters comfortably. The centrally located "Lake Rixey" blind is perfect for entertaining clients and will hold up to 6 hunters. Pick your clients up from the Little Rock airport and be shooting ducks in less than an hour, then have them back on their flight home by 10:30. Directly south of this property sits a 180 acre government tract which acts as an incredible waterfowl sanctuary that holds thousands of ducks from October through the season. This property is rainfall dependant to fill but can be drained. The unmatched convenience factor, partnered with the imprinted duck numbers are what truly sets this tract apart from others.
