PROPERTY DESCRIPTION

Located in the countryside of Pawnee County, just minutes from Tulsa, this 77+/- acre property packs a punch! With a mix of timber, native grass meadows, and multiple water features, this property is well-suited for a variety of individuals. One of the property's standout features is the large stocked pond, providing excellent fishing opportunities and scenic views from the home. A second pond and a year-round creek further enhance the property's recreational appeal while supplying a dependable water source for wildlife. The creek bottom is lined with mature hardwood and sycamore trees, creating a beautiful setting and ideal travel corridor for deer and turkey. The acreage is approximately 50% timber and 50% native grass hay meadows, offering an excellent balance of cover and open ground. The meadows provide ideal locations for food plots, while the timber creates bedding and security cover for wildlife. Along the northwest boundary, a clear-cut creates an additional funnel and transition area that could make for an outstanding stand location during deer season. Adding to the property's appeal, multiple apple trees can be found on-site, offering fresh fruit and enhancing the overall wildlife habitat. Improvements on the property include a well-maintained 2-bedroom, 1-bath home featuring approximately 1,296+/- square feet of living space, a carport, and a screened-in front porch perfect for enjoying Oklahoma evenings without bugs. A newer barn with a concrete floor provides ample storage for equipment and tools, while the additional tiny home, complete with its own septic system, offers guest accommodations, rental potential, or extra living space. With abundant water, mature timber, productive meadows, and excellent deer and turkey hunting, this Pawnee County property is the type of place that rarely becomes available. Whether you're looking for a hunting property, country home, or recreational retreat, the Double 7 Ranch offers the habitat, improvements, and beauty to enjoy for years to come! The property is located 10+/- miles to Cleveland, 15+/- miles from Mannford and 35+/- miles to Tulsa! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Luke Roberts at [\(918\) 399-2569](tel:9183992569).

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
