Introducing the Eagle Creek Farm, a beautiful 160+/- acre hunting and recreational property in Pawnee County, Oklahoma! With a diverse mix of habitat, water, and access, this farm offers everything needed to create a premier hunting property, keep livestock or have a versatile outdoor retreat! Near the front of the property sits a pond surrounded by scattered cedar trees and open meadows filled with native grasses, creating an excellent water source for wildlife and a beautiful setting for relaxing or fishing. Fully fenced and thick native grasses provide great opportunities for grazing livestock as well! As you move deeper into the property, the landscape transitions into elevation changes covered in thick cedar and mature hardwood timber, providing outstanding bedding cover and travel corridors for deer and other wildlife. Flowing through the back portion of the farm is Eagle Creek, accompanied by several wet-weather tributary creeks that enhance wildlife habitat and add to the natural beauty of the land. A transmission line clearing runs through the property, providing convenient access to the back portion of the farm and creating potential stand locations. Access to the property is provided by a recorded easement, offering privacy away from public roads. The diverse habitat across the farm provides excellent potential to grow mature whitetail bucks and supports a wide variety of wildlife.
