Discover an exceptional 8.23-acre corner property located at the intersection of Janiero Road and Creek Place Road in Pamlico County, near Arapahoe, North Carolina. This rare land offering presents long-term potential for residential living, recreational use, and even income-producing ideas like boat storage, storage units, or other rural development opportunities. With gentle terrain and a mostly open layout, this tract gives you plenty of room to plan exactly what you want — from a custom single family residence* with pasturesland and outbuildings to a private getaway or waterfront-oriented project.

One of the standout features of this property is its water views of the Neuse River, a major waterway in eastern North Carolina that winds its way down toward Pamlico Sound. This location offers a quiet, scenic setting while still giving you easy access to some of the best water-based recreation in the area. Just 0.4 miles from the Dawson Creek NC Wildlife Boat Ramp, you'll appreciate how convenient it is to launch your boat, kayak, or paddleboard. Water access like this is a huge benefit for outdoors enthusiasts, anglers, and anyone who loves spending time on the water. The Neuse River and nearby creeks provide excellent inshore fishing for Red Drum, Speckled Trout, Flounder, and more, and because the river flows into Pamlico Sound, you also have access to both saltwater and fresh water fishing experiences close by. From here, it's possible to boat directly out to the Pamlico Sound and even reach Ocracoke Island in roughly an hour by boat, opening up endless weekend adventures on the water.

The property already has a soil evaluation showing a site suitable for a septic system, which simplifies planning for future home construction. Whether you're thinking of a private family home surrounded by room for gardens and outdoor space, or a more entrepreneurial vision with storage space or other rural uses, this land offers flexibility and confidence in its development potential.

Location is another key advantage. You're within reasonable driving distance of many well-known coastal and historic towns. Downtown New Bern is just a short drive away, offering historic charm, shopping, dining, and cultural events. Washington, NC, known for its riverfront downtown and community amenities, is also an easy trip for everyday needs or weekend outings. For beach lovers and those who enjoy ocean access, Atlantic Beach and the Crystal Coast are less than an hour's drive, where you can enjoy sun, sand, and surf.

This 8.23-acre property on a corner lot with road frontage gives you the best of rural North Carolina living — peaceful surroundings, water views, and real opportunity. It's a place where you can build a home, start a small business, plan recreational storage, or simply enjoy the open space and nature around you. Don't miss your chance to own land with water access and a location that supports both lifestyle and investment goals.
