### **PROPERTY DESCRIPTION**

**34± Acres of Prime Hunting & Recreational Land for Sale off Guinea Mill Rd in Eastern North Carolina. Featuring a balanced mix of open timber and thick bedding cover, this tract holds strong populations of deer, turkey, hogs, and bear. Surveyed with cleared boundaries and easy access, Lot 4 is ideal for hunting, ATV riding, and off-grid weekend getaways.**

Set along Guinea Mill Rd, Lot 4 is a 34± acre tract that offers a strong mix of usable ground and natural habitat, making it a great fit for hunting and outdoor recreation in Eastern North Carolina. With access from a state-maintained road, you can reach the property with ease, while still enjoying the quiet and privacy of a tucked-away setting.

The timber on this tract is mostly a more open, naturally regenerated stand, rather than being overly thick. This is a big advantage for both wildlife and hunters. The more open woods allow for better visibility, easier movement, and natural browse growth at ground level, which helps attract and hold deer and other game. It also makes it easier to set up stands and shoot lanes without a lot of clearing. That said, there are still pockets of thicker cover scattered throughout the property, giving wildlife the bedding areas and security they need to feel comfortable staying on the land.

Game sign is strong across the tract, with evidence of whitetail deer, wild turkey, hogs, and black bear. Quail have also been seen in the area. As it sits, the property already hunts well, but with a little effort-like adding food plots, feeders, or creating a few edge transitions-you could make it even more productive and draw in even more game.

A new survey has been completed, clearly marking the acreage and property lines. The boundaries have been opened up with a forestry mulcher, allowing you to drive or ride the full perimeter with ease. This makes it simple to access different parts of the property, manage the land, and confidently know where your lines are.

Lot 4 is well suited for a recreational setup, whether you're riding ATVs, camping out, or setting up a weekend hunting camp. Power is about 1.5 miles away, making this a great off-grid getaway or a spot for a simple cabin in the woods.

You're located in a convenient area-about 30 minutes from New Bern and roughly 45 minutes from Greenville-so you're close to town when needed but still out in the country. Nearby NC Wildlife boat ramps along the Neuse River give you quick access to fishing and time on the water as well.

If you're looking for a larger tract with a good balance of open woods, thick cover, and strong hunting potential, Lot 4 off Guinea Mill Rd is a property worth checking out.
