PROPERTY DESCRIPTION

River Valley Angus Ranch | 160± Acres | Premier Turnkey Cattle Operation | Waldron, Arkansas

Opportunities to own a ranch of this caliber are few and far between.

Welcome to **River Valley Angus Ranch**, a meticulously developed **160± acre** working cattle operation located along **Highway 71 North** just outside Waldron, Arkansas. Years of careful stewardship, sound management practices, and continual investment have created a highly productive ranch that is ready to continue operating from day one or serve as the foundation for your own agricultural legacy.

From the moment you enter through the **new custom gated entrance installed in 2025**, it is evident this property has been maintained with pride and purpose.

The land is the true centerpiece of the ranch. The majority of the acreage consists of **highly improved and intensively managed pasture**, thoughtfully divided into **five rotational grazing paddocks** designed to maximize forage production and livestock health, consistently produce **over 300 round bales annually**, providing an excellent on-site feed source.

Unlike many cattle properties, this ranch has been professionally managed from the ground up. **Annual soil testing and nutrient management programs** have allowed the pastures to remain exceptionally productive, creating a sustainable operation built for long-term success.

Water is abundant throughout the property with **two ponds, four wells, and a year-round creek**, ensuring dependable water sources for livestock across the ranch.

The infrastructure has been designed for efficiency and functionality. Working pens and corrals make cattle handling straightforward, while multiple large agricultural buildings provide extensive storage and operational flexibility. Four **decommissioned poultry houses** currently serve as covered storage for hay and equipment, offering tremendous value and versatility. Additional improvements include an approximately **50' x 60' barn with tack room** and a **60' x 50' tractor and equipment barn**, providing ample room for machinery, feed, and ranch supplies.

At the heart of the property sits a beautifully updated **3,796-square-foot two-story brick home**. Originally built in **1994** and extensively renovated in **2022**, the residence perfectly blends timeless construction with modern amenities.

The home features **four spacious bedrooms, two full bathrooms, and one half bath**, along with rich **3/4 -inch solid hardwood flooring throughout**. The beautifully remodeled kitchen is equipped with stainless steel appliances and stunning **Taj Mahal quartzite countertops**, creating an elegant space for everyday living and entertaining.

Designed for comfort as well as efficiency, the home also features a **solar power system, a new roof, new vinyl fencing**, a bright sunroom, and a spacious patio complete with a relaxing hot tub overlooking the ranch. For dog owners, a **climate-controlled kennel** provides premium accommodations for working dogs or family pets.

For buyers seeking a truly turnkey opportunity, **River Valley Angus Ranch is available with cattle** (Registered and commercial black angus) **and equipment included with an acceptable offer**, allowing the next owner to step into an established and respected cattle operation with minimal interruption.

An **additional 22± acres** adjoining the ranch is also available for purchase. Featuring highway frontage, pasture, and its own pond, it presents an excellent opportunity to expand the existing operation or secure additional investment acreage.

Whether you're looking to grow an elite cattle operation, establish a family ranch, or invest in one of western Arkansas' finest agricultural properties, River Valley Angus Ranch represents a rare offering where quality, productivity, and pride of ownership come together.
