PROPERTY DESCRIPTION

Escape to the peace and quiet of the Ouachita Mountains with this beautiful 40-acre tract offering the perfect blend of recreation, privacy, and future investment. Located with convenient frontage on Highway 314, this property provides easy year-round access while still feeling secluded.

The property features a 576-square-foot cabin that's ready for weekend getaways, hunting trips, or a base camp for outdoor adventures. The cabin is equipped with electricity, a 1,000-gallon cistern for water, and a solar backup system, giving you reliable utilities with the flexibility to be more self-sufficient.

Approximately three years ago, the land was replanted in pine, creating an excellent long-term timber investment while also providing ideal habitat for wildlife as the trees mature. Even better, the property borders the Ouachita National Forest on two sides, giving you direct access to thousands of acres of public land for hunting, hiking, and exploring.

Whether you're looking for a hunting retreat, recreational getaway, future homesite, or a property with long-term timber potential, this tract checks all the boxes. Opportunities like this—with highway frontage, a cabin, utilities, and National Forest bordering two sides—are becoming increasingly hard to find.

Schedule your private showing today and come experience everything this Arkansas mountain property has to offer.
