West Tract Rocky Tillable Farm Hobart, OK / Kiowa County

PROPERTY DESCRIPTION

The West Tract Rocky Tillable Farm is an exceptional 80+/- acre agricultural property with a proven history of consistent production. Currently utilized for hay production, this highly productive tract has delivered dependable yields year after year, making it an excellent opportunity for producers or investors seeking quality tillable ground. With nearly 100% of the acreage being tillable, very little ground is wasted, allowing you to maximize the property's earning potential. The fairly flat topography allows for efficient farming operations, while a natural drainage running through the center of the field helps move excess water away, promoting healthy crop conditions and improved field accessibility. Whether you choose to continue its current use in hay production or incorporate it into a row crop operation, this farm offers the versatility and reliability that productive farmland is known for. If you're looking for a clean, well-maintained tillable tract with a strong history of consistent yields, this property deserves a closer look. The property is conveniently located just 13+/- minutes from Gotebo, 16+/- minutes from Hobart, and 48+/- minutes from Weatherford. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Josh Candelaria at [\(580\) 660-1167](tel:5806601167).
