PROPERTY DESCRIPTION

Take a look at this 152.8 +/- acre tract situated in a strong agricultural region of Tillman County, Oklahoma! The property showcases solid grazing or farming opportunities and great build potential as well! With frontage along Highway 5C on the north side and county road frontage on the east side, access is made easy! On the east side of the property is a nice buildsite with both electricity and water on-site. The landscape is predominantly flat to gently rolling, creating an attractive mix of open grassland and scattered tree cover. These scattered pockets of trees not only add character to the property but also provide great habitat for wildlife. While touring the property, multiple coveys of quail and several deer were observed, highlighting the area's strong hunting and wildlife appeal! Although the property is currently suited for grazing, it also presents the opportunity to be converted into productive tillable acreage. The combination of favorable topography, wildlife presence, desirable location, and agricultural/build potential makes this property an attractive investment for ranchers, farmers, or recreational buyers! This property is located just +/- 6 minutes from Tipton, OK, +/- 16 minutes from Frederick, OK, and +/- 25 minutes from Altus, OK. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Josh Candeleria at [\(580\) 660-1167](tel:5806601167).
