PROPERTY DESCRIPTION

Located in the heart of Tillman County, Oklahoma, this 160+/- acre farm offers an exceptional blend of hunting and agricultural potential. A live creek winds through the property, lined with mature hardwood trees that create a scenic landscape while providing outstanding cover and natural travel corridors for wildlife. A pond adds another dependable water source for both livestock and wildlife, making the property attractive throughout the year. For the avid outdoorsman, this farm is loaded with opportunity. The combination of live water, mature timber, native grasses, and thick creek-bottom cover creates ideal habitat for whitetail deer. Natural bedding areas, well-defined travel corridors, and excellent edge habitat make this property a prime setup for chasing mature bucks. The diverse terrain also provides opportunities to hunt wild hogs, quail, and other native Oklahoma wildlife, offering something to enjoy throughout the seasons. Properties with this balance of cover, water, and food sources consistently attract and hold game. Beyond its recreational appeal, this property also has the foundation to become an excellent cattle operation. Existing fencing is already in place, and with additional improvements and cross-fencing, this farm could easily be developed into an efficient rotational grazing system or utilized for hay production. Whether you're looking for a productive livestock property, a premier hunting retreat, or a combination of both, this Tillman County farm offers the versatility to fit a variety of goals. The property is located just 17+/- minutes from Grandfield, 25+/- minutes from Frederick, 47+/- minutes from Lawton, Oklahoma, and 2 hours and 49+/- minutes from Dallas, Texas.
