Mountain View Barndo Ranch
Snyder, OK / Tillman County

PROPERTY DESCRIPTION

This 160+/- acre property in Tillman County, Oklahoma has so much to offer for a wide range of buyers! The property features an unfinished barndominium style home, overlooking the creek bottom that runs through the center of the property looking to the west and looking north you have great views of the Wichita Mountains. The barndominium was started but never completed which provides the new owners the opportunity to change the layout or apply finishes that are specific to their liking and preference. It is a 3,500 sq. ft. foot print including the large front porch and carport that can be easily configured into additional living space or kept as vehicle/equipment storage. The layout could be configured to have 2-3 bedrooms and 1 bath along with plenty of space for the kitchen, living room and utility room. The high ceiling also allows for additional storage area upstairs. There is approximately 1,900 +/- sq. ft. of living space currently. The structure sits towards the center of the property at the end of a long gravel drive and would make an outstanding hunting cabin or even a forever home for a smaller family looking to live the rural lifestyle. The property is easily accessible with road frontage along the entire north side of the property. There are two gated entrances to the property, the main one with gravel for the entire length of the drive up to the barndominium. The property has the ability to be used for livestock and recreation. A small pond and wet weather creek supply water for livestock and also serve as great water sources for wildlife. There will also be a rural water tap for additional water sources as well. There are some amazing hunting opportunities with this property! This area is home to great deer numbers and very good big buck genetics. There are also plenty of wild hogs and other small game and upland birds on this property for additional hunting opportunities. The property offers mixed topography for both bedding and feeding locations at different elevations and the creek bottom provides a good mix of large, mature timber and smaller scrub brush providing excellent habitat for the abundant wildlife that call this property home. This property would also be ideal to plant large food plots in the bottoms creating a destination food source for the local wildlife population. This is an amazing opportunity to live out in the country on an impressive piece of land with incredible mountain views! The property is located just 31+/- minutes from Altus OK, 40+/- minutes from Lawton, and 1 hour and 47+/- minutes from OKC. All showings are by appointment only.
