PROPERTY DESCRIPTION

Discover 30 beautiful acres in De Leon, Texas—an ideal setting for a horse property, homestead, or agricultural venture. Known for its sandy loam soil, this land is perfect for equine use and offers excellent potential for a lush coastal hay field. The property includes a water well and has a productive farming history, previously used for crops.

With **level terrain and open, versatile land**, this acreage is well-suited for building your private residence, running livestock, or enjoying recreational opportunities. The area is renowned for **strong farming operations and abundant wildlife**, offering a true taste of Texas country living.

Photos show approximate boundary lines. Seller will survey the 30 acres off a larger tract and install new fencing. **One restriction: no mobile homes.** Seller and heirs retain mineral rights and will reserve **first right of refusal** if the property is offered for sale in the future.

A rare opportunity to own a substantial piece of land in a highly desirable agricultural region—ready for your vision.
