Wildcat Creek Farm

Moline, KS / Elk County

PROPERTY DESCRIPTION

Introducing Wildcat Creek Farm, located in Elk County, Kansas! This +/- 57.04 acre gem is located in the heart of southeast Kansas just north of the quiet community of Moline. This exceptional tract features tillable farmland, dense hardwood cover, and a live creek, all packed into one high performing parcel. Currently planted in lush, thriving wheat, the tillable portion of this farm is composed of highly productive Class II and III soil, mainly silt loam that supports a variety of row crops. The contour is smooth and the field layout efficient, making it ideal for custom operators or investors looking to expand their agricultural operations. What truly sets this farm apart is its hunting potential. Along the west and south boundaries lies a thick corridor of mature timber and creek bottom vegetation, providing secluded cover for whitetailed deer, turkey, and small game. The property borders a winding stretch of Wildcat Creek, a year round water source shaded by towering hardwoods and framed by natural rock formations. From natural pinch points to creek crossings and edge transition zones, the layout of this property offers everything the serious hunter needs. This property is conveniently located +/- 85 miles to the Dwight D. Eisenhower International Airport in Wichita, +/- 57 miles to Coffeyville, Kansas, and only +/- 25 miles to the Oklahoma State line. Don't miss this rare opportunity to own a premier hunting farm with agricultural income in a strong, scenic part of southeastern Kansas. Whether you're looking to expand your farm operation or enjoy the hunt every fall, Wildcat Creek Farm is ready to deliver. All showings are by appointment only.
