This is to certify to Tom Cheryrhomes, that during the month of July, 2022 we executed a Property Boundary Survey on a tract of land, recorded on June 13, 2022 in Book 2022, Page 1676, being part of the Northeast Quarter of the Northeast Quarter and part of the North Half of the Northeast Quarter of Section 22, Township 43 North, Range 5 West, of the 5th P.M., Gasconade County, Missouri. To the best of my knowledge and belief, this map is true and correct and the survey on which it is based was made in accordance with the current Missouri Standards for Property Boundary Surveys of the Missouri Department of Commerce and Insurance, Missouri Board of Architects, Professional Engineers, Professional Land Surveyors and Professional Landscape Architects and meets the accuracy requirement of a Rural Survey as defined therein.
